V. 100, p. 399, 475, 1169. In 1915 majority of 4% sterling bonds of 1908 were stamped as "$" bonds. V. 101, p. 2072, 2255; V. 103, p. 321.

The stockholders on March 10 1914 authorized a new general mortgage to secure bonds to be issued from time to time to an amount not in excess at any time of the outstanding stock. V. 98, p. 388, 695, 84. Of these bonds, $65,000,000 50-year 4½s were sold due June 1 1965 to retire with other funds the convertible bonds ($86,870,000) due Oct. 1 1915. The bonds will cover, subject to prior liens, for which General M. bonds are to be reserved, all the property and leaseholds (excepting certain unimportant leaseholds), including the valuable terminals in Philadelphia, Harrisburg and elsewhere in Pennsylvania, rolling stock, shops, and other equipment owned. Of the bonds, $165,155,000 were reserved to retire an equal amount of underlying bonds and real estate mortgages. Further bonds may also be reserved or issued to retire obligations on roads acquired. From the company's docks at the extensive terminal at Port Richmond it operates a line of steamers and barges in coastwise coal traffic and provides berths, with elevators, grain-drier and accommodations for several trans-Atlantic steamship lines, new ore-unloader and concrete dock capacity 600 tons per hour. In Jan. 1901 control of Central RR. of New Jersey was acquired (V. 72, p. 86, 340, 392, 676; V. 73, p. 847).

ORGANIZATION.—The Philadelphia & Reading RR. (chartered April 4 1833) and the P. & R. Coal & Iron Co. were sold in foreclosure Sept. 23 1896 and reorganized per plan in V. 61, p. 1109. See V. 64, p. 709.

The "Reading Company" in the reorganization acquired the security holdings, real estate, equipment, &c., of the old Phila. & Reading RR. Co.; also the $20,000,000 stock and $20,000,000 bonds of the Phila. & Reading *Ry.* and the $8,000,000 stock of the Coal & Iron Co The right to mine coal, given by charter, is protected by State Const. of 1873 V. 82, p 393.

The U. S. Supreme Court on Dec. 16 1912 in the Govt. suit (1) dismissed the charge of combination and conspiracy in restraint of trade against the company and other anthracite coal companies and coal-carrying roads: (2) held that the Temple Iron Co. is an illegal organization and should be dissolved; and (3) also held illegal the arrangement under which the coal companies pay the independent operators for coal at the mines 65% of selling price at tidewater. See V. 95, p. 1684, 1652; V. 96, p. 286, 554, 1090, 1557. The U. S. District Court on July 31 1915 held that the company and its subsidiaries, had not violated either the Sherman Law or the commodities clause of Commerce Law. The Government has appealed. V. 103, p. 1119; V. 101, p. 85, 929, 1465, 1807; V. 96, p. 1425; V. 97, p. 666; V. 99, p. 821.

VOTING TRUST.—The large block of stock purchased by S. Davies Warfield and associates in 1912, and since that time held in a voting trust, was in May 1916 placed in a new 5-year voting trust, the Continental Trust Co. of Baltimore being depositary, and the following the trustees: S. Davies Warfield, Chairman, Baltimore, Md.; Samuel L. Fuller, New York; Robert F. Maddox, Atlanta, Ga.; Charles H. Sabin, New York; C. Sidney Shepard, New Haven, Oswego County, N. Y.; Frank A. Vanderlip, New York; Clarence W. Watson, Fairmont, W. Va.; George W. Watts, Durham, N. C., and Albert H. Wiggin, New York. V. 102, p. 1988.

CONSOLIDATION—NEW MORTGAGE.—In Aug. 1915 it was announced that the company would provide for present and future requirements through a financial plan (see V. 101, p. 528, 1189, 1273) involving (1) Consolidation with the Carolina Atlantic & Western under title of "Seaboard Air Line Ry. Co." (2) Extension of said Carolina Atlantic & Western, then embracing 331 miles and forming the system's outlet to Charleston, S. C., by the building of a line from Charleston to Savannah, 85 miles. In Nov. 1915 this consolidation became effective, affording the Seaboard (see map) a direct low-grade route to Savannah through a rich and fertile section and avoiding the necessity of double-tracking the congested line via Columbia. (3) Authorization of the $300,000,000 First & Consolidated mortgage below described.

Under the new mortgage there were issued at once about $25,644,000 30-year 6% bonds. Of this amount $2,750,000 remains in the treasury, $5,725,000 were issued in connection with the retirement of an equal amount of various issues of underlying 1st M. 6% bonds of Carolina Atlantic & Western Ry. ($4,225,000 whereof had been guaranteed, principal and interest, by the Seaboard), and $17,169,000 have been sold. The new money so obtained has been or is being used for the construction of the new line from Charleston to Savannah and for payment of floating debt, for the retirement of the $6,000,000 3-year notes due March 1 1916, for the acquisition of certain new property, and for improvements, betterments, &c.

Stock After Consolidation.—The Seaboard Air Line Ry. Co. (the new company) has an auth. capital stock of the same amount as the old Seaboard Air Line Ry., viz., $100,000,000; of this the present issue is:

	In Treas.	*Held by Pub.*
Common Stock (par $100)	$1,121,600	$38,919,400
Preferred Stock $27,280,000, issued [without preference of one part over another] as follows:		
(*a*) As 6% non-cumulative preferred	1,205,000	1,075,000
(*b*) As 4-2% non-cum. pref., having same pref. div. provisions as old Seaboard pref., i. e., entitled to non-cum. pref. divs. at 4% p. a., and after 4% on the common, to an additional 2% (with right of conversion below stated)	1,105,900	23,894,100

Conversion Right.—To do away with the division of dividend right above mentioned, the option is given to holders of all pref. stock exchanged for the present outstanding pref. stock from July 1 1916 and until July 1 1921: (1) To convert each share of the said pref. stock into (*a*) 2-3 of a share of pref. stock entitled to 6% straight non-cumulative dividends but calling for the same amount of cash required to pay 4% dividend on the converted stock, and (*b*) 1-3 of a share of common stock; or (2) to convert each share of pref. stock entitled to 4% and then 2% dividends into one share of pref. stock limited to 5% non-cumulative dividends, thus giving up one-half the present right to 2% additional dividend. V. 101, p. 1273.

New Mortgage.—The new First and Consol. Mtge. to the Guaranty Trust Co. of N. Y., as trustee secures an auth. issue of $300,000,000 bonds, of variable interest rates and maturities. This mortgage is a first lien on the 416 miles of main-line track between Hamlet and Savannah, via Charleston, Lanes and Georgetown, S. C., and on the lines running from McBee, S. C., located on the Hamlet-Columbia line, to Florence, Poston, Sumter and Timmonsville, S. C. The mortgage has no direct lien on the former Seaboard Air Line Ry.'s property, but there are pledged under it approximately $22,361,000 Seaboard Refunding bonds heretofore in the treasury or pledged to secure notes which have been or will be retired out of the proceeds of the sale of bonds above mentioned, and also all the stock of Raleigh & Charleston RR. Co. and Tampa Northern RR. Co., and one-third of the outstanding stock of Tampa Union Station Co., and all Refunding bonds hereafter issued will be pledged thereunder; also certain stks. under option, if acquired.

The amount issued at once under the new mortgage was as above stated, about $25,644,000 30-year 6% bonds, including $2,750,000 to be held in treasury; and of these $14,500,000 were marketed in Dec. 1915. V. 101, p. 1974; V. 102, p. 346. Of the remaining bonds, $75,453,000 are to be reserved for refunding an equal amount of Seaboard Refunding bonds and various underlying bonds, and the rest of said issue are to be reserved for betterments, improvements, additions and extensions, refunding or payment of liens on after-acquired property and retirement of equipment obligations, all under proper restrictions. V. 101, p. 528, 1189, 1974.

DIVIDENDS OF OLD SEABOARD AIR LINE RY.—On pref., 1% quar. from Nov. 1913 to Aug. 1914 incl. In Nov. 1914 no dividend was paid, owing to conditions brought about by European war. V. 99, p. 1215.

BONDS—Of the 1st M. 4s of 1900 ($75,000,000), $12,775,000 are in hands of public and $27,000,000 are pledged as collateral under the Ref. mtge. of 1909. Of the $12,775,000, $12,433,000 are stamped subject to call at any interest day. V. 89, p. 666.

The $125,000,000 *Refunding Mortgage* of 1909 provided for the issuing of bonds as follows: (*a*) To retire underlying and divisional bonds, except some $10,728,000 maturing prior to 1959 and certain short-term obligations

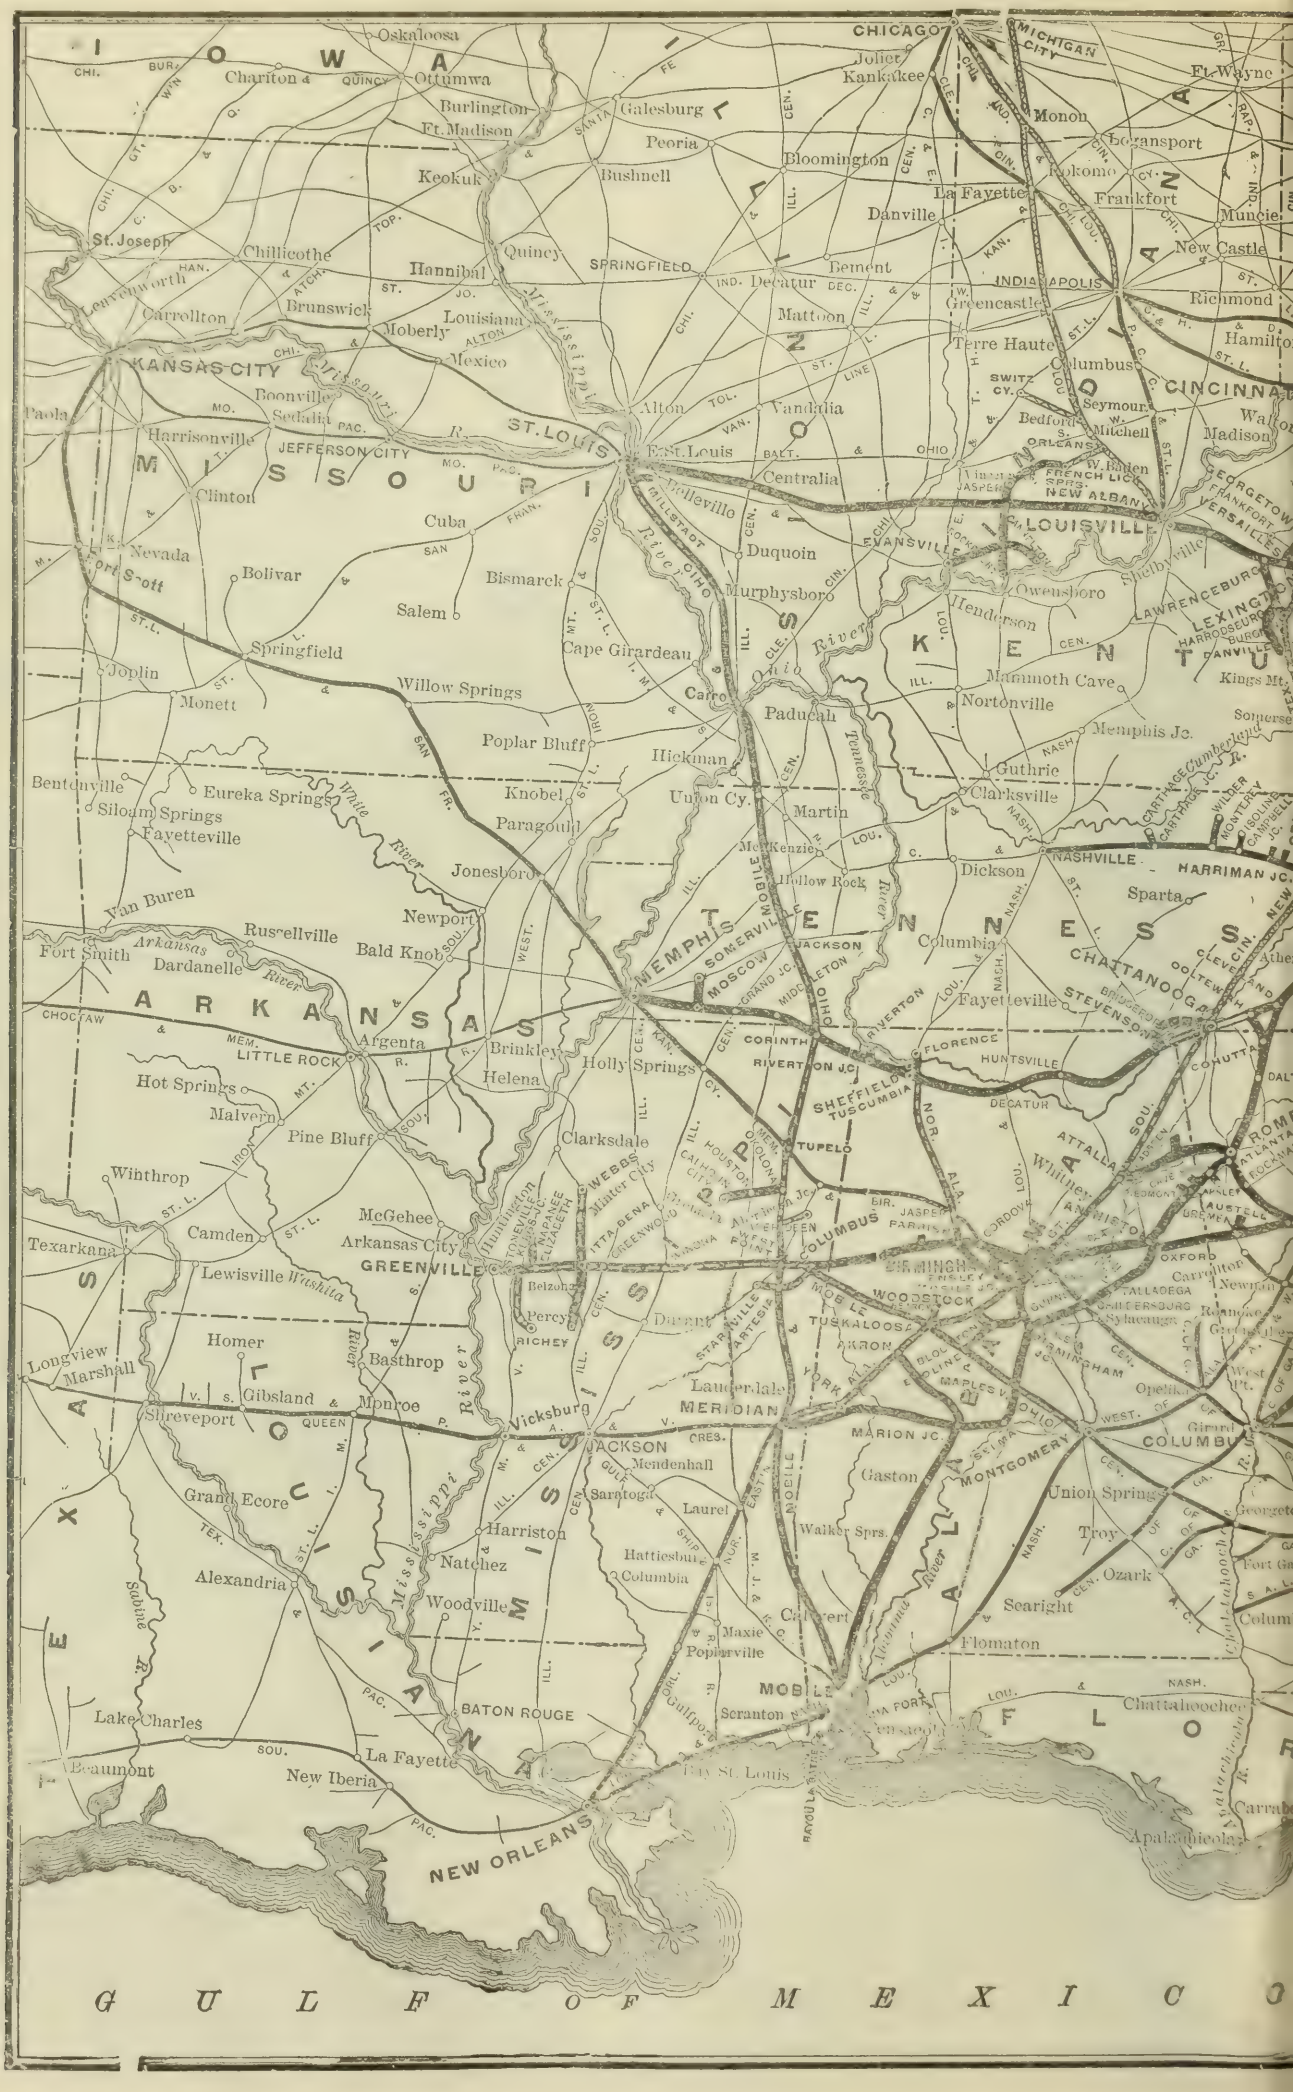
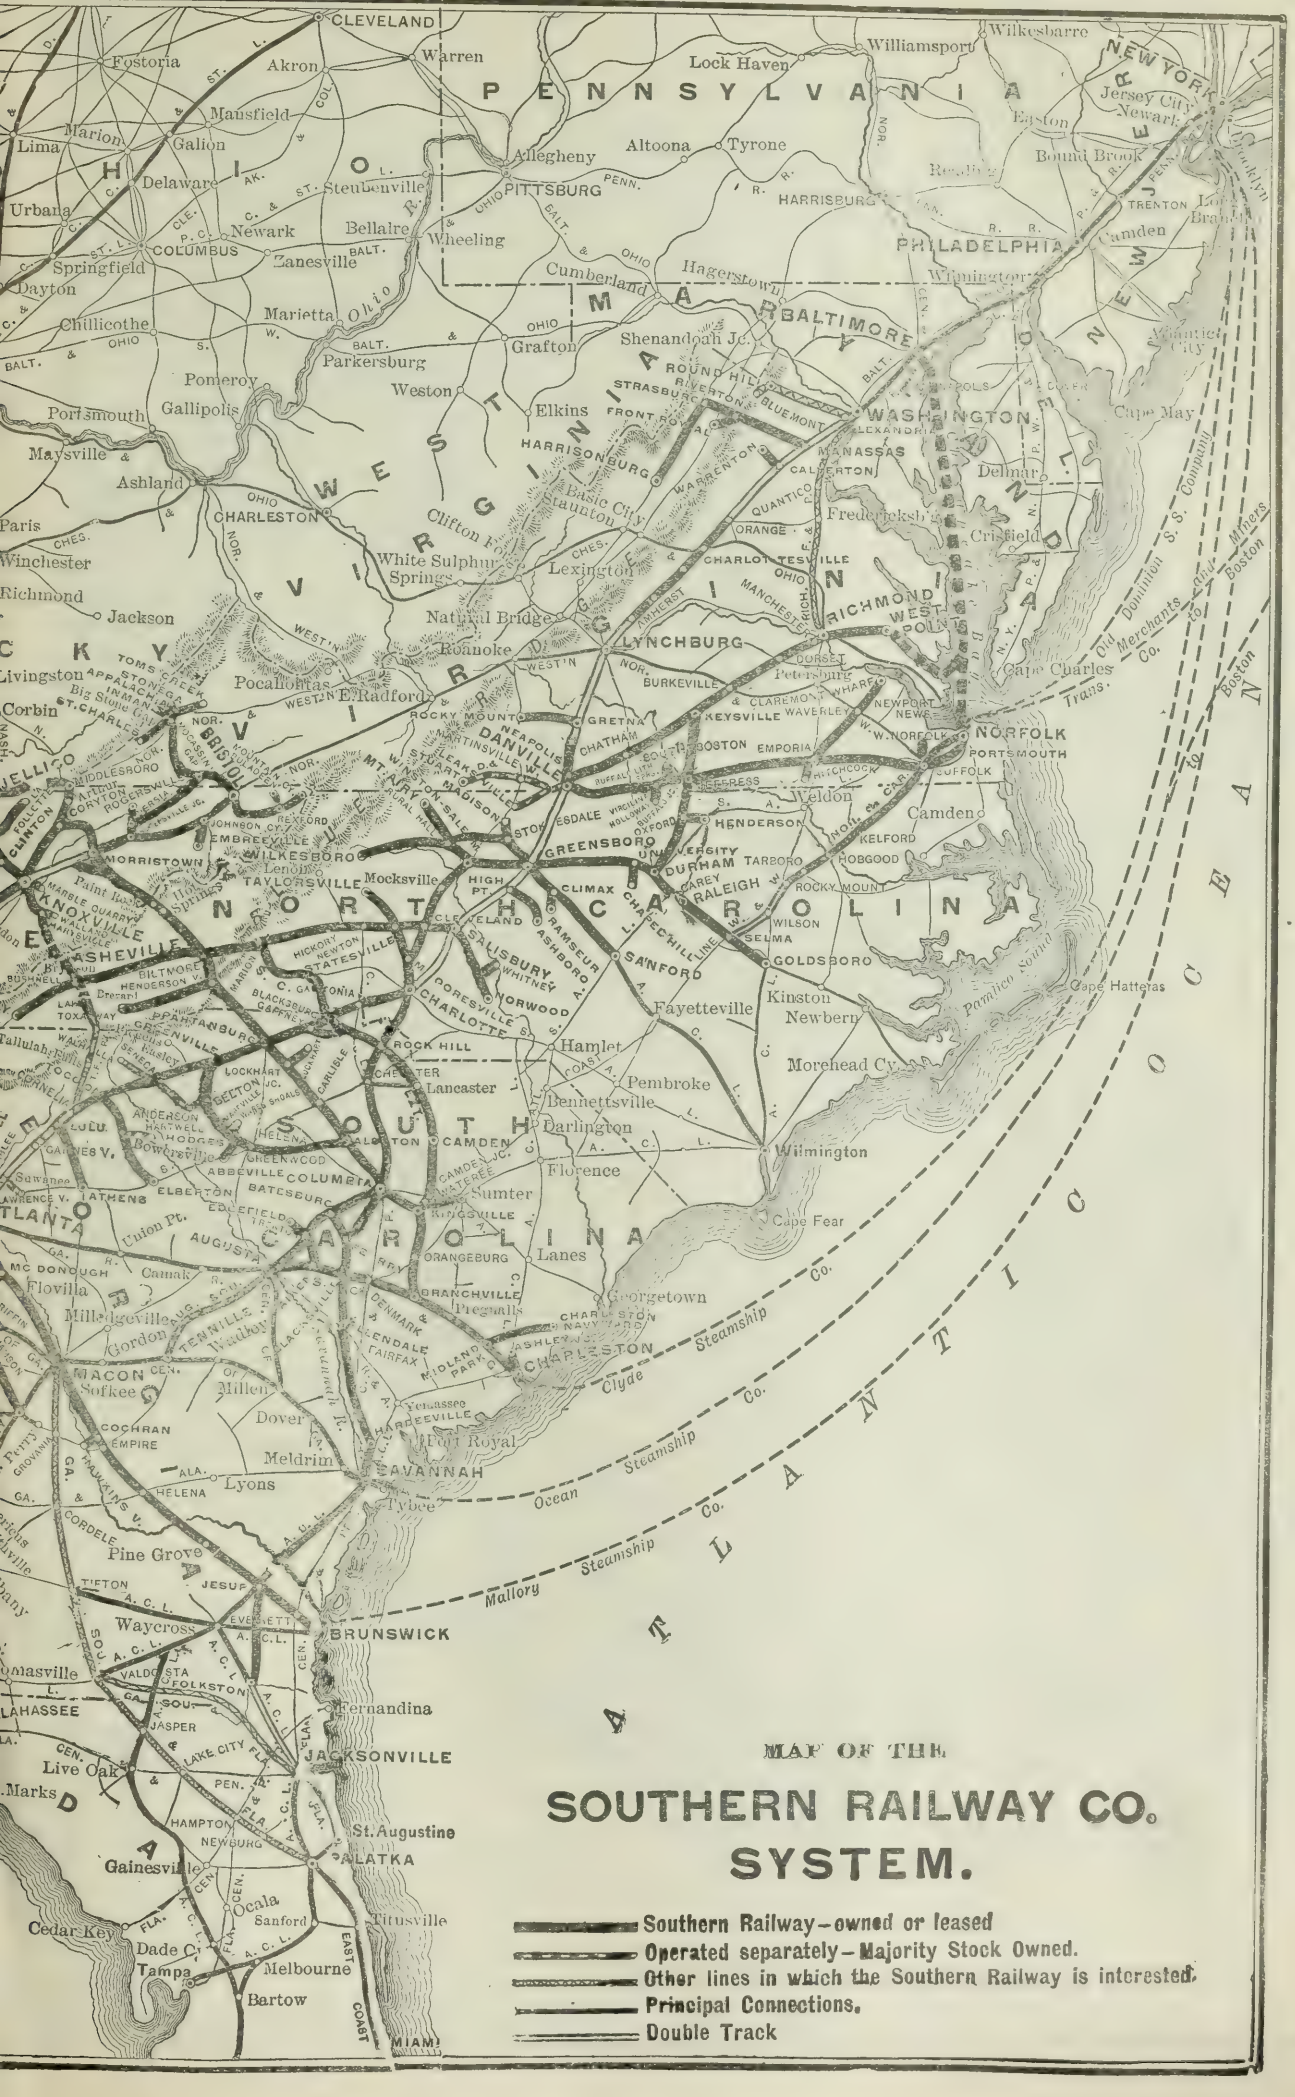
PROPRIETARY LINES.—These, with a total mtge. indebtedness June 30 1916 of $454,040,512, are controlled through stock ownership, only $83,200 out of their total capital stock of $343,885,600 not being held on July 1 1916 by the Southern Pacific Co., along with $100,561,112 of their funded debt. "Omnibus lease," see issue of Jan. 1899. Securities owned June 30 1914, V. 99, p. 1461; V. 96, p. 570, 571.

ORGANIZATION.—Organized under laws of Kentucky.

The U. S. Supreme Court having held in Dec. 1912 that the ownership of $126,650,000 Southern Pacific Co. stock by the Union Pacific RR. was illegal, $38,292,400 of the Southern Pacific Co. stock was in July 1913 exchanged for the holdings of the Pennsylvania RR. system in Baltimore & Ohio stock ($21,273,600 each of com. and pref.), per modified plan V. 97, p. 50, the Union Pacific Co. disposing of certificates of interest in the remaining $88,357,600 So. Pac. stock owned by it, exchangeable for the stock on certain conditions. V. 97, p. 445, 667. See Union Pacific RR. The Pennsylvania RR. owned on Jan. 1 1916 $17,143,800 and Pennsylvania Co. $12,741,290 stock.



In Feb. 1914 suit was brought by the Govt. to compel the company to dispose of its holdings in Central Pacific. V. 98, p. 524; V. 97, p. 1116; V. 99, p. 1461. As to Union Pacific decision in 1912, see V. 97, p. 445, 667.



Oil land decision, V. 98, p. 1994; V. 99, p. 1461; V. 100, p. 399, 734, 2011; V. 103, p. 1221. Land grant suit, see Ore. & Cal., and V. 103, p. 1222.

On Dec. 27 1911 the So. Pac. RR. sold to the Cal. Arizona & Santa Fe Ry. that portion of its road from Needles to Mojave in California, 242.51 miles, which prior to the date of sale was leased to the Atch. Top. & Santa Fe Ry. until Sept. 1 1979. Simultaneously the So. Pac. RR. purchased from the Atch. Top. & Santa Fe Ry. all of the outstanding stocks and bonds of the New Mexico & Arizona RR. and of the Sonora Ry., the properties of which were leased to the Sou. Pac. Co. to Sept. 1 1979. V. 96, p. 560.

On July 1 1915 the properties of the following companies were purchased, the stocks of which were owned: Coos Bay Roseburg & Eastern RR. & Nav. Co., Corvallis & Eastern RR. (V. 99, p. 1528), Pacific Ry. & Nav. Co. (V 94, p. 124), Portland Eugene & Eastern Ry. (V. 95, p. 1404), Salem Falls City & West. Ry. and Willamette Pac. Ry. V. 100, p. 142; V. 102, p. 2078. These roads are operated as part of the Oregon & California RR.

Southern Pacific RR. of Mexico, incorporated 1909 with $75,000,000 stock (all owned June 30 1916 by Southern Pacific Co.), took over the 1,507 miles covered by Mexican concessions, extending from Empalme to Guadalajara, 815 miles, with branch lines 692 miles, of which 1,242 miles had been completed June 30 1916. In Dec. 1910 obtained additional concession from Guadalajara to Mexico City. V. 83, p. 1536; V. 84, p. 1141; V. 86, p. 350; V. 87, p. 414; V. 88, p. 303, 1622; V. 91, p. 1645, 1770. The principal of the company's advances to Southern Pacific RR. of Mexico to June 30 1916 amounted to $40,048,951. Northwestern Pacific RR. (jointly owned with Atchison), see that company, V. 84, p. 103.

V. 102, p. 1164. Carnegie traffic, V. 101, p. 48; V. 98, p. 157; V. 90, p. 1103; V. 80, p. 1231, 2221.

Joint Reorganization Committee.—J. N. Wallace, Chairman; Gordon Abbott, Harry Bronner, James C. Chaplin, Haley Fiske, Clarence L. Harper, William R. Nicholson, Richard Sutro, Meigs H. Whaples and Asa G. Wing-Arthur M. Wickwire, Sec., 37 Wall St. Depositary, Central Trust Co.; also for Chaplin committee, Columbia Trust Co., N. Y. In Sept. 1915 about $28,500,000 of the $30,236,000 1st M. 4s and $500,000 2d M. had been deposited under plan; in Jan. 1916 holders of $13,413,500 of these had paid the first installment of assessment. It is understood that since that time sufficient bonds, including 2d mtge., on which assessments have been paid, have been deposited to represent about 2-3 of the $30,000,000. V. 101, p. 214, 847, 1372.

PLAN.—The Joint Committee's plan of June 25 '15, as amended in Jan. 1916 in minor particulars (V. 101, p. 48, 44; V. 102, p. 252) has been underwritten by a syndicate headed by Sutro Bros. & Co. and H. P. Goldschmidt & Co., and on Jan. 28 1916 (V. 102, p. 438) was declared operative after (*a*) the payment of the first installment of the amounts payable under the plan (as amended), in respect of a substantial majority of the outstanding 1st M. bonds and a number of 2d M. bonds; (*b*) the execution and delivery of a written agreement for the sale to the committee of the notes of the Terminal Co. secured and accompanied by the Consolidated M. bonds and shares of stock of Pittsburgh Terminal RR. & C. Co.

The plan is intended: (*a*) To assure the new company complete independence and give to the participating bondholders who obtain the new stock entire control. (*b*) To preserve the ownership of all stock and consols of the Pitts. Term. RR. & Coal Co. (the "Coal Company"), bonds free and clear. (*c*) To keep the fixed charges as low as practicable, the only new securities therefore to be stock, and the indebtedness to be reduced from $81,260,345 to $5,100,868, and the fixed interest charges, including subsidiaries, from $2,783,252 to $261,103. (*d*) To avoid for the new company payment of assessment on the majority stock owned in the Wheeling & Lake Erie under any reorganization of that company (see said company above), to distribute among the participating bondholders either the stock certificates or trust certificates representing the same, if the bondholders elect to have it trusteed till July 1 1917 with Willard V. King, Morgan J. O'Brien and S. Davies Warfield as trustees.

ORGANIZATION.—Incorporated Dec. 1 1909 as successor per plan V. 89, p. 287, to the Western Maryland *Railroad*, foreclosed Nov. 19 1909, subj. to 1st M. of 1902. V. 89, p. 1484, 1142, 1349; V. 96, p. 137, 204.

Interest Postponed—Financial Plans.—In Jan. 1915 the holders of over 85% of the outstanding $16,000,000 notes due July 1 1915 (of which the principal in June 1916 remained unpaid) had agreed to a postponement of the semi-annual int. thereon due Jan. and July 1 1915 and Jan. 1 1916, in order to enable the management to carry into operation a financial plan. This plan (not yet issued Oct. 1916) contemplates separating the properties of the system into three distinct units, the railroad line, the terminals and coal properties, and eventually separate mortgages on these units to capitalize permanently the outstanding temporary obligations and provide for future financial requirements. It is proposed to press to an early completion the portion of the plan which provides for the concentration into a separate terminal company of the freight terminals and terminal properties at Baltimore and their development through the use of a separate capital currency adequately secured both as to property value and earning capacity.

On Jan. 1 1916 interest at their respective rates was paid on the overdue interest (Jan. 1 and July 1 1915) of the $16,000,000 5% and 6% notes of 1912 and 1914. V. 101, p. 2072; V. 102, p. 68.

A noteholders' committee, Fred'k T. Gates (Chairman), Hunter S. Marston, 24 Broad St. (Secretary), will co-operate with the management, and requests the approval of the remaining noteholders, with the Bankers Trust Co. V. 100, p. 57; V. 101, p. 133, 371, 2072.

Financial plan expected early in 1916, the prospects having much improved. See V. 101, p. 2072.

STOCK.—Of the $49,429,230 outstanding common stock $25,469,670 was underwritten and offered to stockholders pro rata at 50 in 1910.

DIVIDENDS.—On pref., 1% quar., April 1910 to Oct. 1912; none since.

BONDS.—The 1st M. is a direct 1st lien on 329 miles, a direct 2nd lien on 61 m. add'l, and also covers practically all the stock of proprietary and leased cos. owning 131 miles of road, subject to $1,281,500 underlying bonds, making a total of 522 miles covered; also covers coal and coke properties. V. 93, p. 1790; V. 94, p. 1697; V. 95, p. 969; V. 97, p. 1595. In 1913-14 authorized $6,000,000 unsecured 6% notes due July 1 1915. V. 97, p. 1825, 1595, 1899. RECEIVERSHIP.—On June 8 1908 receiver was appointed: William McKinley Duncan is now receiver. V. 86, p. 1469; V. 94, p. 1697.

Foreclosure sale under Gen. Mtge. advertised for Oct. 30 1916; upset price reduced from $18,500,000 to $12,000,000. V. 103, p. 1033, 1120.

The U. S. Dist. Court on Jan. 5 1914 held void the contracts of 1902 and 1904, under which the Wheel. & L. E. and Wabash RR. were to turn over to the Wabash Pitts. Term. Ry. 25% of the gross receipts on all traffic interchanged, and upheld the validity of the $8,000,000 notes issued in 1905, but held as to the collateral that all gen. M. bonds deposited therefor in excess of $10,133,333 were illegally issued. V. 98, p. 157; V. 102, p. 1898.

Committees for Minority Stockholders.—J. B. Nutt, Chairman; Citizens' Savings & Trust Co., Cleveland, and U. S. Mtge. & Tr. Co., N. Y., depositaries. V. 93, p. 1325, 1465.

PLAN DATED SEPT. 20 1916.—Kuhn, Loeb & Co. and Blair & Co., as reorganization managers, have presented (see V. 103, p. 1211) the following plan of reorganization, which has been adopted by the holders of the 3-year 5% Gold Notes due Aug. 1 1908. To participate therein, holders of First Consol. 4s, all classes of stock, and unsecured claims, should deposit the same with the Central Trust Co., 54 Wall St., N. Y., as depositary, on or before Oct. 25.

The Consol. Mtge. of 1899 is closed and no additional bonds can be issued thereunder, except for refunding the $3,303,000 underlying bonds. In order to provide for future requirements, it is proposed to create a new Refunding Mtge. covering not only the entire property now subject to the Consol. Mtge. and all consols exchanged, but also $5,000,000 additional property acquired by the receiver. To induce the holders to surrender their 4% bonds, they are offered in exchange therefor an equal amount of 4½% Ref. Mtge. bonds. Notwithstanding that, more than $5,000,000 has been spent on the property during the receivership, in addition to $2,019,000 from sale of receiver's equipment certificates, the new company will have outstanding, aside from the receiver's equipment certificates and $190,000 of other receiver's certifs., bonds of only the same amount, namely, $15,000,000, as were outstanding in 1905 prior to the issue of the 3-Year Notes.

Pres., Herbert Morgan, Manchester, Eng.; Sec. & Treas., J. G. Wylie, 260 B'way, N. Y.—(V. 103, p. 241, 403.)

(THE) AMERICAN TOBACCO CO.—ORGANIZATION.—A merger Oct. 19 1904 under New Jersey laws. V. 79, p. 1024, 1705; V. 80, p. 168.

On May 29 1911 the U. S. Supreme Court held the company a combination in violation of the Anti-Trust law (V. 92, p. 1501). In Dec. 1911, under plan below outlined, there was sold to the new Liggett & Myers and P. Lorillard Tobacco companies property having a total book value of $115,000,150, and there was distributed to common shareholders out of its surplus securities of a book value of $34,627,249. The list of properties remaining after the aforesaid sale was given in V. 94, p. 280.

STOCK.—Under the aforesaid plan, $78,689,100 6% cum. non-voting pref. stock was given the right of exchange within 3 years, as provided in the decree, for two-thirds in amount of new 6% cum. pref., with voting power, along with $19 55 per $100 share in new Liggett & Myers Tobacco Co. pref. and $13 78 1-3 in new P. Lorillard Co. pref. stock for the remaining third. The small amount ($720,900) of old unexchanged preferred, with the new 6% pref. issued in exchange under the plan, amounted as of Jan. 1 1916 to $52,699,700, instead of $52,459,400 that would have been outstanding had all of the stockholders exercised their right of exchange within the time fixed. Voting rights were conferred on all preferred stock, whether exchanged under the plan or not (see V. 100, p. 311). The newer voting certificate is now issued in transferring the old so-called non-voting certificates. There is now no difference. V. 102, p. 523.

Still owns a majority of the stock of the American Cigar Co. V. 73, p. 1113; V. 72, p. 531, 1037; V. 78, p. 1394.

Also Sept. 1912 $20 per share from sale of certain securities under the disintegration plan, and 2.986% in Amer. Machine & Foundry Co. stock, and in March 1913 a similar cash distribution of $15 per share. V. 95, p. 362, 620; V. 96, p. 421. On April 20 1914 a distribution was made in restricted B deferred ordinary shares of Imperial Tob. Co. equaling about 215-240, or about 9-10 of a £1 share. V. 98, p. 841.

DISINTEGRATION.—The plan of Oct. 1911 (see V. 93, p. 1122, 1325, 1557, 1603, 1670) divided up the business of the company and its allies among "14 separate and independent companies, no one of them having control of or dominance in the trade as to any of the products manufactured by it, or as to purchase of raw material, and no one of them having any interest, by way of ownership of stock or otherwise, in any of the others." The order of the U. S. Circuit Court on Nov. 16 1911 confirming the plan enjoined the 14 defendant companies from combining, making loans to one another, or having common officers or directors, &c., and forbade the individual defendants for 3 years from buying stock, except from each other. See V. 93, p. 1558. Result of disintegration process, finally completed in 1915, see V. 95, p. 1405; V. 100, p. 311, 644; V. 102, p. 970.

ASSOCIATED DRY GOODS CORP.—ORGANIZATION.—Incorporated in Virginia May 24 1916 and in Aug. 1916 succeeded, per plan in V. 102, p. 69, 64, to all the properties of the Associated Merchants Co. and United Dry Goods Co., viz. (compare V. 103, p. 1412): (*a*) Retail dry goods stores wholly owned, with net tangible assets valued in Sept. 1916 at $15,547,092 (compare V. 102, p. 64), namely: James McCreery & Co., N. Y.; Hahne & Co., Newark, N. J.; Stewart & Co., Baltimore; Wm. Hengerer Co., Buffalo; Powers Mercantile Co., Minneapolis; J. N. Adam & Co., Buffalo; Stewart Dry Goods Co., Louisville, Ky. (*b*) Adrico Realty Co., owning equity in McCreery real estate, West 34th St., N. Y., $1,700,000 (V. 103, p. 1208.) (*c*) Other investments, valued at $2,832,488, viz.: Lord & Taylor, $743,400 1st pref., $1,460,000 2d pref. and $2,420,700 common stock; C. G. CAPITALIZATION.—In Sept. 1916 there had been issued the following securities: 1st pref. stock (auth. $20,000,000), $13,818,700; 2d pref. stock (auth. $10,000,000), $6,725,500; and common stock (auth. $20,000,000), $14,985,000. Of this stock there was then held in the treasury against the possible exchange for stock of the Associated Merchants Co. and United Dry Goods Companies not deposited under the plan and agreement of reorganization of Dec. 28 1915, the following amounts, viz.: $139,013 1st pref. stock, $105,640 2d pref. stock and $40,200 common stock. The liabilities Sept. 20 1916 aggregate only $952,383, viz.: Notes payable, $350,000; due to subsidiaries, $602,383.

BALANCE SHEET, &c.—For balance sheet of Sept. 20 1916, &c., see V. 103, p. 1208, 1212, 1412.

Based on the reports of certified public accountants who examined the books for the five years 1911 to 1915, the Reorganization Committee stated in letter of December 28 1915, that "after making all proper reserves there is a reasonable probability of annual net earnings applicable to dividends of at least $1,500,000." (V. 102, p. 64, 69.) In circular issued Sept. 1916, the Reorganization Committee expressed the belief that the earlier statement as to the earnings of the new company would be more than justified in the future. The total dividend requirements for the issued pref. stocks of the new company will be about $1,300,000 (V. 102, p. 2078.)

OFFICERS.—Samuel W. Reyburn, Pres.; Louis Stewart, Chairman of the board of directors; Louis Stewart Jr. and Ralph M. Stauffen, Vice-Presidents; and Theron S. Atwater, Sec. & Treas. The directors include the foregoing officers and also Cornelius N. Bliss Jr., Gates W. McGarrah, Thomas Cochran, William M. Barrett, John A. Stewart, George F. Crane and Howland Davis. E. I. DU PONT DE NEMOURS & CO. (of Dela.)—Incorporated in Delaware on Sept. 4 1915 and an Oct. 1 1915 succeeded to the ownership of all the properties of the E. I. du Pont de Nemours Powder Co. of N. J. (per plan in V. 101, p. 616, 696, 848), with no change in the management, and without creation of bonded debt or fixed charges. In Dec. 1915 purchased the Arlington Co. of N. J. for about $6,500,000. V. 101, p. 1888.

Capitalization.—The authorized capital stock is $240,000,000 in shares of $100 each, viz., (*a*) $150,000,000 6% cumulative *non*-voting debenture stock, (*b*) $10,000,000 6% cumulative *voting* debenture stock, (*c*) $80,000,000 common stock. The purchase price of the properties under the aforesaid plan was $120,000,000, whereof $1,484,100 was payable in cash and the remainder in stock of the new company, namely $59,661,700 debenture stock (voting and non-voting combined) and $58,854,200 common stock, the only amounts to be issued at present. What portion of the debenture stock will be issued as voting stock depends on the acceptance of the option extended to the holders of the old pref. shares; any voting debenture stock so issued will be exchangeable at holders' option prior to Apr. 25 1916 for non-voting debenture stock on basis of $100 of the latter for $83 1-3 of the voting debenture stock. V. 101, p. 616, 848, 1275.

Rights of Debenture Stock.—Except as to voting powers the rights of both debenture stocks will be identical. All debenture shares will bear cumulative dividends of 6% p. a., may be called for payment at $125 per share, and have preference as to assets for both principal and accumulated dividends. No mortgage or other specific lien may be placed upon any of the property without the consent of 75% of the total debenture stock outstanding, but this does not apply to purchase money mortgages or liens upon property purchased, or collateral loans for cash advances in the ordinary course of business, provided they do not run more than three years. The voting deb. stock will have equal voting rights with the common stock.

The non-voting deb. stock has no voting privileges except that (*a*) in case of default for 6 mos. in the payment of any dividend thereon, the voting and non-voting debenture stockholders will have the sole right of voting until the company shall pay all accrued dividends on said debenture stock; and (*b*) in case of the net earnings in any cal. year amounting to less than 9% on the debenture stock, then the debenture stockholders of both classes will have equal voting rights with the common until the net earnings for some future year equal 9% on the debenture stock. V. 101, p. 616, 848, 1275.

No preferred shares, other than those reserved against conversion, may be issued unless the annual net earnings, after deducting interest on all funded debt and guaranteed dividends, are twice the annual pref. dividend, including shares proposed.

per the plan (V. 103, p. 582, 668, 1214) of the stockholders' committees. The company resumed possession Oct. 6. The plan leaves entirely undisturbed the existing common and preferred stock, the latter stock with its 82% of accrued and unpaid dividends (as of Aug. 1 1916). This was accomplished by giving the depositing bondholders of both issues 57% in new 25-year First Mortgage & Collateral Trust 6% Sinking Fund gold bonds and cash for the remainder of their principal and cash also for the full amount of their accrued and unpaid interest to Oct. 1916; the holders of unassented bonds received cash for their principal and interest to Oct. 7 1916.

MERCANTILE STORES CORPORATION, NEW YORK CITY.—ORGANIZATION.—Incorporated at Albany, N. Y., Dec. 23 1914, in accordance with the plan of Sept. 25 1914 for the reorganization of the dry goods house of H. B. Claflin Co. (V. 99, p. 971, 967, 1302, 1454). Will supervise the 23 retail stores named below, owning their entire share capital acquired with the other assets at receiver's sale Jan. 14 1915 (V. 100, p. 32). Also holds, with other assets (*a*) the $6,000,000 stock of the new H. B. Claflin Corporation, the new wholesale concern; (*b*) Entire capital stock of McCreery & Co., Pittsburgh; Wilkes-Barre Dry Goods Co. and MacCullum & Cloutier Mercantile Co., Anaconda, Mont.

CAPITAL STOCK—TRUSTEES.—The entire stock (1,000 shares, no par) is held by the following trustees for benefit of holders of new collateral notes: James S. Alexander, Pres. Nat. Bank of Commerce, N. Y.; Ernest A Hamill, Pres. Corn Exchange Nat Bank, Chicago; John W. T Nichols, of Minot, Hooper & Co., N. Y.; Philip Stockton, Pres. Old Colony Trust Co., Boston, and Henry W. Howe, of Lawrence & Co., Boston and N. Y. Whenever the collateral notes and other obligations of the Mercantile Stores Corporation shall be paid in full, this stock is to be turned over to the present H. B. Claflin Co. (of N. J.), which will continue in existence. See also V. 99, p. 967, 971.

COLLATERAL NOTES, &C.—Under the H. B. Claflin Co. plan of 1914, the holders of substantially all of the indebtedness then existing assented to adjustment, the debts of the H. B. Claflin Co. and its endorsements for the 23 retail companies, as reduced to about $38,700,000, being exchanged for 15% cash and 85% in the 3-year collateral trust notes below described.

In Dec. 1915, while current earnings were favorable, it was thought advisable to defer the question of interest payments on the collateral notes till end of season, Jan. 31 or possibly till July 31, when first full year under new management will end. V. 101, p. 1889.

Description of Mercantile Stores Corporation Notes.—Three-year collateral trust notes in registered form, dated December 1 1914, to "bear interest at not exceeding 5% per annum, interest payable, however, prior to maturity, only out of income," such notes to be issued in 24 separate series (V. 99, p. 972), Series No. 1 for about $8,000,000, delivered to the general creditors of the H. B. Claflin Co., and each of the other 23 series delivered to the holders of endorsed notes of the 23 companies, Series 2 for 85% of H. Batterman Co. notes, Series 3 for 85% of J. Bacon & Sons notes, and so on. Upon consent in writing of a majority in number and amount of the collateral notes of all of the series then outstanding, the trustees may extend the time of maturity of all series not to exceed two years. In case for one year 5% interest on any particular series of notes remains unpaid, the trustees, upon the written request of holders of 75% in number and amount of the outstanding notes of such series must sell the stock deposited to secure that series or sell the assets of the company the stock of which is so pledged; and distribute the net proceeds pro rata among the holders of the notes of such series. The trustees may also at any time dispose of the capital stock of any of the retail cos. and similarly distribute the proceeds.

Following are the note issues Series 1 to 24, of the Mercantile Stores Corporation, secured respectively by pledge of the entire capital stock of the several retail stores (see V. 99, p. 967) and for the Claflin issue, by $1,000,000 of the $6,000,000 stock of the new Claflin Corporation (see V.102,p.253).

MIDVALE STEEL & ORDNANCE CO.—Incorporated in Delaware on Oct. 5 1915 (V. 101, p. 1192, 1276) with $100,000,000 of auth. capital, all of one class (par $50), and took over 99% of the $9,750,000 capital stock of the Midvale Steel Co. (V. 101, p. 1095), the entire share capital of Remington Arms Co. (a new concern then building a plant at Eddystone, Pa.). and Worth Bros. Co., all of the properties of Coatesville Rolling Mills (operated by the Worth Bros. Co.), and all of the cap. stock of the Buena Vista Iron Co., owning extensive iron ore properties in Cuba. In Feb. 1916 had steel capacity of 650,000 tons per annum and through the Remington Arms Co. of Dela. had British rifle contracts amounting to $60,000,000. See V. 101, p. 1977; V. 102, p. 256, 715. In May 1916 purchased property of Diamond State Steel Co. at Wilmington, Del., and reorganized same as Wilmington Steel Co. V. 102, p. 1901.

In Feb. 1916 the company contracted (see V. 102, p. 613) to purchase at $81 a share (par $50), a majority of the $45,000,000 stock of the Cambria Steel Co. (which see), and to take the remaining shares at the same price. To finance this purchase: (1) there was authorized an issue of $50,000,000 of Midvale 20-year 5% collateral trust sinking fund gold bonds, convertible into stock at any time at price of $100 for a $50 share (of these bonds $45,736,000 were issued and sold); and (2) there was underwritten and offered to shareholders of record Feb. 21 1916 on or before March 13, at $60 a share, $25,000,000 of stock, making $100,000,000 stock outstanding. V.102,p.715.

BONDS.—The bonds of 1916, $50,000,000 auth., are convertible at option of holder into capital stock of the Midvale S. & O. Co. at the rate of 10 shares of stock (par value $50) for each $1,000 of bonds. If called for redemption, bonds are convertible until within 30 days of redemption date. A cumulative sinking fund of $500,000 per annum to acquire bonds at not exceeding 105% is to begin May 1 1917. Redeemable in part at any time at 105% and int. for the sinking fund, or as a whole, after March 1 1920 on any interest date on 60 days' published notice. V. 102, p. 715, 804, 1064. These bonds are secured by pledge of all the capital stock of Cambria Steel Co. acquired or to be acquired.

While any of these bonds are outstanding the Midvale must not pledge or place any mortgage upon any of its property except purchase money mortgages. Subject to existing contracts and obligations, no new mortgage or pledge of any of their properties shall be made by any of the subsidiaries of the Midvale except purchase money mortgages, unless all of the obligations secured by such pledge or mortgage are pledged under said indenture. Any new indebtedness of the Cambria Steel Co. and its defined subsidiaries, other than current indebtedness, and purchase money obligations, will be acquired and pledged to secure these bonds.

EARNINGS.—At the annual meeting on Oct. 3 1916 it was announced that the net earnings, leaving entirely out of consideration the manufacture of rifles by the Remington Arms Co. under its contract with the British Government, since the acquisition of Cambria Steel Co. in Feb., "are in excess of $2,500,000 per month."

Over 300 miles of transmission lines, six generating and eight sub-stations and a large reservoir are operating to serve about 100 cities and towns in Central New England (in Mass., Conn., R. I., Vt. and N. H.), which are supplied wholly or in part by the system through contracts with large commercial users and with local electricl-lighting companies, electric and steam railways, notably in the important industrial centres of Worcester, Fitchburg, North Adams, Mass., and Providence and Pawtucket, R. I. (see map)

The first power plant on the Connecticut River was put in operation in 1910, and the first year's gross earnings were $409,000. In June 1916 the system was earning at the rate of nearly $2,000,000 gross per annum.

Properties Comprising System.

New England Power Co.—Has in operation on Deerfield River five generating stations (one completed in 1916) and a storage reservoir of some 23 billion gallons capacity. The five operating stations will utilize about 510 ft. of fall and have a generating capacity of over 44,000 h.p. out of a contemplated development of over 100,000 h.p., some 1,050 ft. of fall being controlled by the system. Also owns about 250 miles of transmission lines in Massachusetts acquired by merger of Conn. River Transmission Co. in April 1916.

Connecticut River Power Co.—Plant located on Connecticut River below Brattleboro, installed capacity 27,000 h.p. with dam, storage basin and about 50 miles of transmission lines in New Hampshire and Vermont.

The 2d pref. is entitled to 4% p. a. (cum.) and after 4% is paid in any year on common is entitled to same rate for that year as paid on common up to 5% and above 5% to one-half the rate on common. PITTSBURGH COAL CO.—ORGANIZATION.—Incorporated in New Jersey in Sept. 1899. Has owned the entire capital stock, $32,000,000 common stock and $36,000,000 pref. stock, of the Pittsburgh Coal Co. of Pennsylvania (see caption of that company below). The last named company on Dec. 31 1915 absorbed the Monongahela Consolidated Coal & Coke Co.

PLAN OF FEB. 1 1916.—This plan described fully in V. 102, p. 804, 1166, has been formally declared operative, the assents to Aug. 22 1916 including 93.62% of pref. and 91.59% of common. Depositaries, Bankers Trust Co., N. Y.; Union Trust Co. of Pittsburgh, or Guaranty Trust & Safe Deposit Co., Philadelphia. V. 102, p. 2259.

The plan provides (a) for an adjustment and refunding of the accumulated unpaid dividends on the preferred stock of the New Jersey Co., and (b) for the elimination of the New Jersey Co. through an exchange of the stock of the Pennsylvania Co., in the treasury of the New Jersey Co., for the outstanding stock of the New Jersey Co., thus effecting a saving estimated at $50,000 yearly due to the existence of an unnecessary organization

Holders of the 7% cumulative pref. stock of the New Jersey Co. will, for each $100 (par value) of such stock and all accrued dividends thereon (amounting as of Jan. 1 1916, to $44 58 1-3 per share), receive 6% cumulative pref. stock of the Pennsylvania Co. to the par value of $133 33 1-3. Holders of common stock of the New Jersey Co. will, for each $100 (par value) of such stock, receive common stock of the Pennsylvania Co. to the par value of $100. See also Pittsburgh Coal Co. of Pennsylvania below and "Chronicle" of Feb. 26 1916.

The Utah Company, together with the U. S. Smelting, Refining & Mining Co., owns all the shares of the Consolidated Fuel Co., the Black Hawk Coal Co., the Panther Coal Co., and 52.19% of the shares of the Castle Valley Coal Co. These four companies are in the process of being united into one company called the United States Fuel Co. The four coal companies own 8,016 acres of coal land, estimated in Feb. 1916 to contain 123,000,000 tons of coal in one seam alone. The share of this belonging to the Utah Company is 103,000,000 tons. These coal mines in Feb. 1916 were producing about 700,000 tons of coal a year and are opened and partly equipped to produce 3,000,000 tons a year when the market requires it.

NOTES.—The co. sold in Feb. 1916 (V. 102, p. 615, 1714) $12,000,000 10-year 6% Convertible Gold Notes, dated Feb. 1 1916 and due Feb. 1 1926, convertible at any time, at the option of the holder, into common stock on the basis of $75 in notes for each share (par $50) and callable as a whole at 110 and int. on any int. date upon 60 days' notice, but if so called may be converted at any time prior to date of payment. The proceeds of these notes, together with other funds on hand, retired the $4,000,000 5% notes of the company and the $10,000,000 Utah Co. 6% notes (guaranteed), called for redemption on June 1 and April 1 1916, respectively, thus reducing the funded and guaranteed debt by $2,000,000. The company has no mortgage debt, and (except in the case of the Utah Co.) there is no mortgage debt on the properties of any of the subsidiary corporations in which the company owns a majority of the stock. No mortgage may be made by the company without equally securing these notes, and none may be made upon any of the properties of its subsidiary companies except on the coal properties controlled by the Utah Co. and on the Utah Railway.

VIRGINIAN POWER CO.—(*See Map* p. 195.)—ORGAN.—Organized Sept. 25 1912 in Mass., and has constructed a modern steam-power station at Cabin Creek Junction, and a comprehensive distributing system on steel towers and poles supplying electric power in the Kanawha-New River coal district, W. Va. This district contains more than 250 operating mines, having a combined output for year ended June 30 1912 of 20,203,480 tons of bituminous coal, of which 19,000,356 tons, or 94%, were mined in Kanawha, Fayette and Raleigh counties, which are at present the principal market for output of Virginian Power Co. Electric power is important in coal mining for cutting, hoisting, hauling, pumping and ventilating purposes.

The steam-power station is located at Cabin Creek Junction, W. Va., 15 miles from Charleston, on Ches. & Ohio Ry., and has a steel and brick superstructure, in which there are installed turbo-generators, &c., capable of generating 26,666 electrical h. p., and space for two additional units to increase the capacity to 53,332 h. p. when required.—(V. 98, p. 907).

Water-Power Sites.—Owns or controls three large power sites on New River, located at Bluestone, Richmond Falls and Hawk's Nest, W. Va., and several other smaller water-power sites also along the New River. Estimated drainage area ranges from 4,400 sq. miles at Bluestone to 6,250 sq. miles at Hawk's Nest. Available power at Bluestone, 125,000 k. w.; Richmond Falls, 15,000 k.w.; Hawk's Nest, 30,000 k.w. It is contemplated that, upon proper authorization, the initial water-power development will be made at Bluestone, W. Va., with a dam 140 ft. in height, length about 2,000 ft., connecting two chains of mountains and forming a lake of about 8,500 acres. This would enable the company to meet the present requirements of the mining districts above mentioned and to do a lucrative business with public utilities and manufacturing industries in Charleston, Huntington, &c. The company has recently secured a contract to supply power for the operation of the street railways in Charleston, W. Va., and a new transmission line to that city has already been completed.

CAPITAL STOCK.—Auth., $10,000,000 (in $100 shares), one-half pref.; outstanding, $1,200,000 pref. and $5,000,000 common.

BONDS.—A first mtge. on the power plant, on about 187 miles of transmission and distribution lines and water-rights and lands located between Bluestone and the Virginia State line, and further secured by all the capital stock of New River Power Co. (which owns valuable water rights and lands along the New River at Hawk's Nest and Richmond Falls, W. Va., subject to a purchase-money mortgage of $180,000), and by the capital stock of Dominion Power Co. of Virginia. Total authorized bond issue, $15,000,000; outstanding, $4,200,000; reserved for extensions, betterments, acquisitions, &c., under restrictions, $10,800,000. Denom. $1,000 (V. 98, p. 907).

Annual sinking fund, beginning Dec. 1 1917, an amount in cash or in these bonds at cost (not exceeding 105) equal to 1% of bonds then outstanding.

NOTES.—The Convertible 6% Gold Notes are part of an authorized $750,000 dated Dec. 1 1915 and due June 1 1917. Int. J. & D. at office of A. B. Leach & Co., 62 Cedar St., New York.

EARNINGS.—Began operations in Dec. 1914 with signed power contracts to supply 128 mines, among which are the largest coal-mine operations in the Kanawha-New River district, as, for instance, the New River Co., Raleigh Coal & Coke Co., New River & Pocahontas Consol. Coal Co. and many others. In July 1916 the company had closed a contract with the Charleston Interurban RR., operating 38 miles of road, to supply all power for the operation of its lines. This will add 1,000 k.w. to the connected load of the power station at Cabin Creek, W. Va. V. 103, p. 330.

STOCK.—In Aug. 1916 the company, to increase its working capital and service facilities, offered to shareholders of record Sept. 5 the privilege of subscribing at $44 per share for their respective proportions of $15,000,000 of the common stock then held in the treasury. This stock was underwritten by J. S. Bache & Co. and C. D. Barney & Co., bankers, of N. Y. City. Mr. Willys waived in favor of the pref. shareholders sufficient of his subscription rights to permit of an offering to the pref. shareholders of one share, par value $25, for each share of pref. stock outstanding. After the receipt of the proceeds of the $15,000,000 of stock, the company was to have approximately $15,000,000 of cash and $30,000,000 of other strictly quick assets, with no liabilities other than strictly current monthly bills. The N. Y. Stock Exchange in Sept. 1916 agreed to list $17,155,700 additional common stock when actually issued, including this $15,000,000, making the total listed $39,655,700. The remaining $10,000,000 pref. can only be issued after Jan. 1 1917 under restrictions. V. 102, p. 1168. V. 101, p. 1633; V. 102, p. 257, 350, 443, 528.

The company will set aside annually on or before July 1 1917 and yearly thereafter for the purchase or redemption of the pref. stock a fund equal to 3% of the aggregate amount of same issued, whether or not then outstanding. Without the consent of 75% of the pref. outstanding: No mortgage shall be placed upon the assets; said pref. stock shall not be increased above said $25,000,000, nor shall any priority pref. stock be issued, nor any evidences of debt running more than one year; nor shall the voting powers be changed. RAILWAY EARNINGS

SECTION OF THE

COMMERCIAL & FINANCIAL CHRONICLE

Copyrighted in 1916 according to Act of Congress, by WILLIAM B. DANA COMPANY, in office of Librarian of Congress, Washington, D. C.

VOL. 103. NEW YORK, JULY 22, 1916. NO. 2665.

THIS entire publication is devoted to a presentation of the reports of earnings and expenses of United States railroads for the latest month (May) and for the fiscal year to date, including said month. The table embraces every steam *operating* railroad in the country which is obliged to make monthly reports to the Inter-State Commerce Commission at Washington. Up to Jan. 1 1912 the Commission required monthly returns from every road, no matter how small its earnings. Since that date roads earning less than $100,000 per annum have been relieved from the necessity of filing returns. Leased lines not operating their own roads do not make returns.

Sworn Returns. The figures are a transcript of the sworn returns on file at Washington. They have the further advantage of uniformity of method and classification. Every company is obliged to make up its returns on the same basis and in the same way as every other company.

Earnings Our Specialty. The "Chronicle" has always made a specialty of weekly and monthly reports of railroad earnings, and for over forty-five years its weekly and monthly summaries have been everywhere accepted as authoritative. The present publication is in continuation of this work and to aid the Inter-State Commerce Commission in the one direction in which lies its chief usefulness—the field of publicity.

Full Details. These Inter-State Commerce returns also make it possible for us to present full details of both the revenues and expenses. Besides reporting total gross earnings, we show separately the passenger and the freight revenues. In the case of the expenditures we report the outlays for both maintenance of way and maintenance of equipment as well as the traffic and transportation expenses. We also show the net revenue from outside operations. Lastly, we give the taxes and the miles of road on which the earnings are based.

Cents Discarded. The cents we have necessarily been obliged to discard altogether, and if in any case the results should happen to vary a dollar, one way or the other, from exact proof, the reason for the variance will be found in that circumstance.

Company Returns Also Given. To make this publication absolutely complete, we add several pages at the end to show also the figures issued by the companies themselves, where they are made up on a basis different from that of the Commerce returns, or where they give fixed charges in addition to earnings, or where they have a separate and distinct fiscal year.

Former Returns to be Continued. The matter contained in this extra and novel publication is entirely additional to the comprehensive reports of earnings we furnish in the "Chronicle" from week to week. All the returns of the leading roads, and also all weekly figures of gross earnings, are printed regularly and promptly in the "Chronicle" as soon as received. But in addition we issue once a month—say about the 20th—this special publication, furnishing a sort of compendium of earnings in which we bring together all the returns for the latest month for which the statistics are available.

Only for Subscribers. As in the case of our numerous other Supplements or "Sections," all of which are expensive publications, the "Railway Earnings Section" will be furnished only to "Chronicle" subscribers. These will receive it free of charge, one copy going with each subscription. It will be impossible to obtain copies in any other way, as none will be printed for general sale.

INTER-STATE COMMERCE COMMISSION RETURNS

In the following we show the figures for the latest month of every road which is obliged to make monthly returns of earnings and expenses to the Inter-State Commerce Commission at Washington. We give first the roads that are under the control of the larger systems, and then add the returns of all other roads, arranged in alphabetical order. In a subsequent part of this publication—pages 30 to 32—we also give the *Company* returns where these differ in any way from the Commerce Commission returns or embrace more facts than are contained in these latter.

COMPANY RETURNS

All the figures in the foregoing pages are transcripts of the monthly returns as filed with the Inter-State Commerce Commission at Washington. Many railroad companies also issue monthly statements of their own, and the form of the returns in such cases is often different from that prescribed by the Commerce Commission. In some instances the figures in the two returns correspond, but the company statements go beyond the requirements of the Commission and give fixed charges and income from investments in addition to earnings and expenses.

It is our purpose that each issue of the "Railway Earnings Section" shall furnish an absolutely complete record of all monthly returns, in whatever form issued, that may be put out by any steam railroad in the United States. Accordingly, we bring together on this and the following two pages all the company statements where they differ in any way from the returns to the Commission, or where they embrace more facts than are contained in such returns. In these instances, of course, uniformity is lacking. Each company makes up its statement according to its own conception of what will serve best to convey a correct idea of the course of its income in the distinctive circumstances that may attend its operations or the character of its business. We in turn give the statements in the precise form furnished by the companies. Obviously, we cannot undetake to reconcile differences or discrepancies that may appear between the company figures and the Inter-State Commerce returns.

It should be distinctly understood that where the company statements are identical with those rendered to the Commerce Commission, we do not undertake to repeat them here. In such cases the reader must look for the figures among the detailed statements on preceding pages, which include every steam road that is obliged to make monthly returns to the Commission.

There is just one exception to the rule excluding statements that agree with those made to the Commerce Commission. Where the fiscal year of a company differs from that in the Commerce returns—that is, from July 1—we introduce the road here in order to present the figures for its own fiscal year.

RAILWAY EARNINGS

SECTION OF THE

COMMERCIAL & FINANCIAL CHRONICLE

Copyrighted in 1916 according to Act of Congress, by WILLIAM B. DANA COMPANY, in office of Librarian of Congress, Washington, D. C.

VOL. 103. NEW YORK, AUGUST 26, 1916. NO. 2670.

LIBRARY AUG 28 1916 UNIVERSITY OF TORONTO

THIS entire publication is devoted to a presentation of the reports of earnings and expenses of United States railroads for the latest month (June) and for the fiscal year to date, including said month. The table embraces every steam *operating* railroad in the country which is obliged to make returns to the Inter-State Commerce Commission at Washington. Up to Jan. 1 1912 the Commission required monthly returns from every road, no matter how small its earnings. Since that date roads earning less than $100,000 per annum have been relieved from the necessity of filing returns. Leased lines not operating their own roads do not make returns.

Sworn Returns. The figures are a transcript of the sworn returns on file at Washington. They have the further advantage of uniformity of method and classification. Every company is obliged to make up its returns on the same basis and in the same way as every other company.

Earnings Our Specialty. The "Chronicle" has always made a specialty of weekly and monthly reports of railroad earnings, and for over forty-five years its weekly and monthly summaries have been everywhere accepted as authoritative. The present publication is in continuation of this work and to aid the Inter-State Commerce Commission in the one direction in which lies its chief usefulness—the field of publicity.

Full Details. These Inter-State Commerce returns also make it possible for us to present full details of both the revenues and expenses. Besides reporting total gross earnings, we show separately the passenger and the freight revenues. In the case of the expenditures we report the outlays for both maintenance of way and maintenance of equipment as well as the traffic and transportation expenses. We also show the net revenue from outside operations. Lastly, we give the taxes and the miles of road on which the earnings are based.

Cents Discarded. The cents we have necessarily been obliged to discard altogether, and if in any case the results should happen to vary a dollar, one way or the other, from exact proof, the reason for the variance will be found in that circumstance.

Company Returns Also Given. To make this publication absolutely complete, we add several pages at the end to show also the figures issued by the companies themselves, where they are made up on a basis different from that of the Commerce returns, or where they give fixed charges in addition to earnings, or where they have a separate and distinct fiscal year.

Former Returns to be Continued. The matter contained in this extra and novel publication is entirely additional to the comprehensive reports of earnings we furnish in the "Chronicle" from week to week. All the returns of the leading roads, and also all weekly figures of gross earnings, are printed regularly and promptly in the "Chronicle" as soon as received. But in addition we issue once a month—say about the 20th—this special publication, furnishing a sort of compendium of earnings in which we bring together all the returns for the latest month for which the statistics are available.

Only for Subscribers. As in the case of our numerous other Supplements or "Sections," all of which are expensive publications, the "Railway Earnings Section" will be furnished only to "Chronicle" subscribers. These will receive it free of charge, one copy going with each subscription. It will be impossible to obtain copies in any other way, as none will be printed for general sale.

INTER-STATE COMMERCE COMMISSION RETURNS

In the following we show the figures for the latest month of every road which is obliged to make monthly returns of earnings and expenses to the Inter-State Commerce Commission at Washington. We give first the roads that are under the control of the larger systems, and then add the returns of all other roads, arranged in alphabetical order. In a subsequent part of this publication—pages 30 to 32—we also give the *Company* returns where these differ in any way from the Commerce Commission returns or embrace more facts than are contained in these latter.
